Rate Card and Ad Specifications

Please submit ad content by email to forumeditor@cappdt.ca.

If you do not specify the location and/or orientation of your ad the Editor will choose the "best fit" based on the current issue's layout. If there is a conflict with your desired placement, the Editor will notify you and suggest alternate spaces.

Consecutive ads must be in the same place in each consecutive issue.

The price breaks at the right indicate the price per multiple ad. For example, if you wish to purchase three 1/4 page ads the price is 3 x \$40, plus GST.

Ad submission requirements:

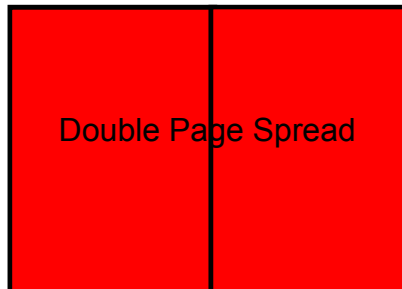

1. Ads must be submitted in the correct dimensions as indicated at the right. Improperly sized ads will be adjusted and invoiced for a \$20 set up fee.
2. Payment must be submitted prior to printing. Payments can be made by cheque payable to CAPPDT Forum.
3. Ads must be submitted as a PDF, TIF, JPG or EPS file. Ads cannot be submitted using Microsoft programs. If you cannot prepare the ad in the required formats, we can prepare it for you for a \$40 set up fee.
